

SUPPORTING THE KANSAS ENTREPRENEURIAL ECOSYSTEM

ENTREPRENEURSHIP TAX CREDITS

ECONOMIC SENSE, TARGETED DELIVERY

Kansas Center for Entrepreneurship d.b.a. NetWork Kansas was created as a key component of the Kansas Economic Growth Act of 2004 to lead collaborative efforts between education, research and outreach services—as well as public sector organizations—in order to serve potential and existing entrepreneurs statewide. An integral part of this effort is providing seed capital to entrepreneurs and small business owners in rural and distressed areas of Kansas. The *Kansas Center for Entrepreneurship Tax Credit* was created to stimulate this effort.

75% TAX CREDIT

Donors receive a 75% state income tax credit for their donation. A tax credit is a dollar-for-dollar credit against state income tax liability. This means that for every \$1,000 donated, donors will receive \$750 credit directly off of their state income tax liability.

Donors are also eligible to receive a federal and state tax deduction and should consult with their individual tax specialist to determine the amount of any deductions. A K-31 Form is required with the individual tax form and is available online through the Kansas Department of Revenue.

WHAT ARE THE INDIVIDUAL MINIMUM AND MAXIMUM ANNUAL TAX CREDITS ALLOWED?

The minimum allowable tax credit per year is \$187.50, which translates into a donation of \$250. The maximum allowable credit per year is \$100,000, which translates into a donation of \$133,333.33. If the amount of the tax credit exceeds the contributor's liability in the taxable year, the remaining portion of the credit may be carried forward until the total amount of credit is applied.

**For financial institutions, a credit against the privilege tax as measured by net income of financial institutions pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto shall be allowed for a contribution to the Kansas Center for Entrepreneurship.*

***If the donor is a corporation with an election in effect under Subchapter S of the Federal Internal Revenue Code or is a partnership, the credit provided by this section shall be claimed by the shareholders of these corporations or the partners must account for their proportionate shares of the income or loss of these corporations or partnerships.*

WHO CAN DONATE?

Individuals, financial institutions* (banks and savings and loans), and corporations** can donate to the Kansas Center for Entrepreneurship.

WHERE DOES THE MONEY GO?

Entrepreneurship programs and matching loans are made available to businesses who are starting or expanding a business.
